WHAT WE DO

FULL-SERVICE CONSULTING FIRM

For Public & Private Sectors

Construction Inspection

Planning

Transportation

Water Resources

Land Development

HWC Engineering is accepting applications for a planning intern to join HWC's Landscape Architecture and Planning team in the Indianapolis office. This team leads a variety of community planning initiatives including comprehensive plans, economic development plans, downtown revitalization plans, parks plans, corridor plans and thoroughfare plans.

JOB RESPONSIBILITIES

- Facilitate public participation
- Participate in steering committee meetings
- Prepare plan graphics
- Complete GIS analysis and mapping
- Complete research and analysis
- Prepare written narrative for planning documents

MINIMUM REQUIREMENTS

- Enthusiastic about helping communities prosper
- Enrolled in an accredited undergraduate planning, public policy, public administration or landscape architecture program
- Proficiency in the Adobe Creative Suite and ArcGIS
- Excellent communication, writing and graphic skills
- Strong ability to work with a team

PREFERRED REQUIREMENTS

- Previous planning internships
- One year remaining in an accredited undergraduate or graduate urban planning type of degree program

HOW TO APPLY

If you feel you are qualified and would like to be considered for this opportunity, please email your qualifications to hwcjobs@hwcengineering.com. Have different skills and experience than this job description offers? Please give us a call anyway, as we are actively looking to add the best and brightest people to our team and we would be excited to hear how you can contribute your passion for planning to our practice!

EEO

HWC is an Equal Opportunity Employer that does not discriminate on the basis of race, religion, age, gender or any status protected by federal, state or local laws. All employment decision are based on qualifications, merit, competence and performance.

ABOUT HWC

HWC was founded in 1989 and has offices in Indianapolis, Terre Haute, Lafayette, Muncie, New Albany and Hammond to provide engineering services to both the public and private sectors throughout Indiana and the Midwest.
